

The VNA of NWI's Stroll for Hospice celebrates and supports the VNA Hospice program that has provided compassionate end of life care to over 14,000 patients and their families in our community over the past 38 years. Every year hundreds of individuals participate in this memorial stroll through downtown Valparaiso to help ensure that the compassion and support of VNA Hospice is there for our family, friends and neighbors when they most need it, regardless of their financial situation.

Throughout 2020 the VNA is celebrating our 50th anniversary, and we hope you'll join us in support of this groovy milestone. We'll encourage our attendees to break out their bell bottoms, headbands and peace signs and offer them a great tie dye t-shirt to wear. Our DJ will spin tunes from the 1970's and we'll have a love-in, all in memory of those we miss.

**Together, we can help those facing the end of life journey have their best days possible.**
